# How Networking happens...

- **Email listserves**
- **Making connections among groups or individuals**
- **Newsletters**
- **Occasional regional or international gatherings**
- **Network websites**
- **Reports and resources, printed or on-line**

# What Networking makes possible

- ❖ **Learning from one another**
  - **Sharing information, experience, news and models of good practice**
- ❖ **Joining voices together in advocacy; connecting with the Anglican Observer at the UN**
- ❖ **Influencing the Instruments of Communion and the international agenda**
- ❖ **Supporting one another in prayer and in practical ways to strengthen loving service and friendships in Christ's name.**
