

Solar Energy Prayer

This text could be used at the dedication of a solar energy producer – solar hot water, solar desalinator, solar electricity PV panels, etc.

Creator God,
we thank you for *these solar panels*,
for the people who designed and installed *them*,
for the power *they* provide
and for the *household they* serve.

Bless us with vision and energy for change
as we care for the earth and for each other,
in the name of God,
Father, Son and Holy Spirit. **Amen.**
